A Vote For Good Health

There's more than rioting on the campus. There are forces at work to bring a better tomorrow. Such forces are important to both the college and the public.

That is one reason why such an important personage as Dr. Clifford Grobstein, dean of the medical school and chancellor of campus medical sciences at University of California at San Diego at La Jolla, would take time out of his busy day and address himself to a weekly meeting of the L.G. Rotary club.

Dr. Grobstein told of the new training techniques being employed at the college. He was also concerned about the financing of the colleges by the State. This issue is the sum and substance of Proposition 1 on the June 2 ballot.

The program at La Jolla is about one half complete. Two more buildings are required to augment the basic science building already completed and a Veterans Hospital that has been started. At present, about 50 doctors a year are being graduated. Eventually, more than 100 will be graduated annually — provided enough classrooms are built.

Dr. Grobstein said Monday that the quality of the faculty already at UCSD, if projected at the same quality to full staff, would present the finest medical school in the nation.

Proponents of Prop. 1, already excited by the work being carried on at the college, maintain that medical science, aided and abetted by such schools as Dr. Grobstein's, is on the verge of discovering new treatment for cancer, drug addiction, arthritis and other ailments that afflict millions.

While physicians already know how to prevent or overcome many diseases, training is needed to produce more doctors, nurses and health specialists.

Increased demand has created a shortage of these professionals, and the shortage is driving up the price of medical treatment. Already, Dr. Grobstein declares, there is a retinue of 15 professionals for each medical doctor. Many new fields are open to students of the medical sciences.

The problem of pollution requires the attention of trained physicians as well as public health specialists. Basic medical research has yet to determine how smog, water pollution and overcrowding will affect our health.

Prop. 1 will pay for facilities to train more health specialists. It will enable state supported medical schools to boost the number of doctors from 274 to 619. Other health professional graduates—including nurses, veterinarians and public health specialists—will be increased from 760 to 1248.

Many tax sensitive organizations like the California State Chamber of Commerce have endorsed Prop. 1. The cost per person is less than 70 cents a year for 25 years. And the money can be allocated from existing revenues.

The cost will not be added to property tax. Prop. 1 should be supported next month. It will be a vote for good health.

Local Investors Win Federal Boulevard Commercial Rezoning

SAN DIEGO (CNA) — The County Planning Commission was in a giving mood Friday.

They gave a group of local investors a commercial rezoning on R-3 property the planning staff had rejected.

The commission has apparently adopted the role as a sort of referee or judge whose main object is to mitigate the harsh judgement of the staff.

The Lemon Grove rezoning was for nearly five acres on the south side of Federal near College, reaching 1,400 feet north from Central ave.

Ray Clancy, a local realtor, representing 101 Investa Group, did not tell the commission the intended use of

the land. He indicated that the land would be upgraded and be sold.

Listed by Clancy as members of the 101 Investa Group are: Paul Reynolds, Lloyd Fish, Ray Carmody, Vaughn Lerwill, Pat Grace, John Penery, Stan Rogers, Dr. Robert Swenson, W. O. Lee, Don Beebe, Roy Davis, Dr. A. Tortora, J. H. Scudder, Robert Gant, and Ray Clancy.

Zoning Chief John Cassidy, in asking denial, said approval would extend strip commercial zoning along Federal. Clancy said the approval gives the property an orderly expansion. It allows commercial traffic to flow onto Central, he said.

Pet Hotel Has Wide Selection Of Give-Aways

If you have been thinking about adding a puppy to your household now is the time to act.

The La Mesa Pet Hotel, 8126 Center st., La Mesa, has over 15 lovable pups they will GIVE to anyone offering the animals a good home.

The Pet Hotel acts as the pound for the City of La Mesa and, by law, are supposed to hold dogs a limited time. If no home is found for the animals, they are supposed to be put to death.

Chuck Rowe, owner of the Pet Hotel, makes an extra effort to find homes for the dogs, often holding them weeks longer than the time paid for by the City of La Mesa. This additional feeding and boarding expense comes out of Rowe's pocket and is a humanitarian gesture on his part.

SPRING VALLEY BEAUTIFUL — Groups from Lemon Grove Junior High School were out picking up the area a couple of weeks ago in conjunction with Earth Day. This week-

TO APPEAR HERE — The world famous Burger Meister Champion Six Horse Clydesdale Hitch will be in Lemon Grove for the three-day Lemon Grove Oldtime Days celebration, May 21, 22 and 23. They will be on display a couple of hours each day and will take part in the mammoth Oldtime Days Parade Saturday, May 23, pulling a 70-year old, 5,000 pound wagon.

Town Clean-Up Set For Old Time Days

Lemon Grove is going to look prettier from now on, promises L.G. C of C President Robert Russell.

He is negotiating with a street-sweeping firm to remove the litter from the main streets.

Russell told a chamber meeting Friday that he proposed to have the business center swept once a week for an estimated cost of \$1 a week per business firm.

The chamber, he said, would sponsor the project and would collect the funds to pay the sweeping firm.

More than 100 Little Leaguers are scheduled to start a pick-up cleanup Saturday when a separate project starts from in front of the L.G. Post Office at 9 a.m., he said.

President Russell also sparked a lemon paint up party Sunday. The giant lemon in the plaza at Broadway and Imperial was refurbished Sunday by members of the L.G. Lions club. Those taking part included Gary Sweet, Bill Sommers, Bonnie Shumate, Les Cleer, and Russell.

Russell also announced a program by which service clubs will be asked to contribute funds for purchasing plastic trash containers to be placed at strategic places in town. The Lions Club metal receptacles have been repainted by students at Santana High school and being re-installed at their former locations.

The urgency of the clean-up, Russell said, is to get the community spic-and-span for Old Time Days next week.

Assistant Fire Chief Fred Dixon said that residential property owners should look to accumulated trash and to weed growth as a fire hazard.

Chamber member George Sperla, who will gather the Little Leaguers together, also volunteered to get them to follow the Old Time Days parade May 23 for a clean-up.

Spring Valley Rotary To Host Doug Harvey

Dr. Edward Krehbiel, Assistant Dean of the Evening Division at Grossmont College attended as a guest and announced the interest of the college in establishing college credit classes or classes of general interest in Spring Valley if area residents want them.

A film was shown on food processing and the transporting and loading of food into airline planes at Lindberg Field.

He told about the Associate Degree Program and the Competency Program in Food Service Management which on completion prepare the student with career opportunities as a food manager or supervisor of food service in restaurants, hotels, cafeterias, educational institutions, clubs, hospitals, and airlines; a purchasing agent; a good inspector; a food service consultant; a food service inspector in the Civil Service; or a food cost controller for large service facilities.

Qualifications and other requirements are listed in a pamphlet entitled "Food Service Management" available at the college.

Guest speaker will be Doug Harvey, sports announcer, who will be bringing his views on the many sports locally and nationally.

Board Approves Re-employment

The Lemon Grove School District Board of Trustees met Monday night and approved re-employment of recommended personnel in the district along with recommended supply bids and renewal of a work agreement with Grossmont College.

The recommended personnel included certificated employees such as teachers, nurses, and administrators, along with teachers on probation and probationary teachers applying for tenure.

Also, a list of classified personnel was approved.

The 1970-71 custodial and curriculum supplies were awarded and approved at the meeting, with only a couple of items being awarded to a firm other than the low bidder. According to the board, non-low bids were accepted in instances far superior quality or design.

The work study program agreement with Grossmont College was voted into renewal at the meeting, by which the district is supplied with teacher aids and various types of assistants to the staff. The district pays 25% of the salaries for the help, a sum not to exceed \$2,500.

The board also heard a progress report on a lawsuit against the State Superintendent to prevent withholding of State funds for various districts throughout the State.

The Board discussed possible talks with teacher representatives dealing with more classes, benefits, and policies, and discussed reclassification of employees to raise salaries to a more fair level in comparison to other districts.

The Board also discussed the preliminary budget, increases in costs, salaries, transportation, etc.

The Board will study the budget and act on it at a later meeting.

Play Set For Southwestern

The Drama Department at Southwestern College will present the Joseph Heller hit play, "We Bombed in New Haven" on Thursday, Friday and Saturday, May 21-23 in Mayan Hall.

The play is a satire which comments on war, middle America, the theater, and romance.

In the cast, there is one female lead, that of Ruth. Her character is triple-cast, with Cheryl Watson, Mary Branin and Susan Dunn sharing the role on consecutive evenings.

Other main roles are played by Dan Heineke as The Major, Bill Snider as Captain Starkey, Gary McClendon as Sergeant Henderson, Dennis Crow as Corporal Sinclair and Gay Norcross as P.F.C. Joe Carson.

San Diego & Arizona Railroad To Be Held Up In Old Time Celebration By Stan Ring Gang

A threat to holdup the San Diego & Arizona Eastern Railroad in Lemon Grove during the Oldtime Days Parade, Saturday, May 23, is being widely rumored through the area.

Jim Dorman and Al Woods of the Lemon Grove Oldtime Days Association say the notorious desperado Stan Ring and his villainous gang have boasted they will stop and rob the train during the festivities.

In past years the Lemon Grove Oldtime Days Parade has been interrupted by passage through Lemon Grove just prior to the 11 a.m. parade time.

Ring, according to reports, has said it may pass through "but it will be lighter when it reaches the other side."

Festive activities are building rapidly as the Annual Oldtime Days celebration comes ever closer. The three day affair, May 21, 22 and 23 will see many innovations. In addition to the parade, which will feature the famed Clydesdale Champion Six Horse Hitch, there will be a costume contest for the younger set, exhibits of cars, dune buggies, a fast draw demonstration and bleachers for the fans.

The fast draw demonstration will be staged by Elton Carl, three-time national fast draw champion and a candidate for sheriff. The demonstration will take place near the site of the children's costume contest in the parking lots on the corner of Broadway and Olive, next to the All American Upholstery Store.

The Children's Costume Contest will be under the direction of Dr. Sam Smith.

The Antique Car Show will take place, following the parade, on the parking lot of the United States National Bank, Broadway and Grove. Participating will be The Model T

Sports Reporters Hear Sperla's Plan for Tournney

George Sperla, operator of the Village Golf and Liquor Shop in Lemon Grove, was a speaker Tuesday at the regular meeting of the Sports-casters/Sportswriters Association of San Diego and Baja California.

Sperla is sponsor of the Second Annual "Golf for Youth Football" tournament which will raise about \$2,500 for Pop Warner football when the tourney is held June 28 at Carlton Oaks Gold Course.

He told more than 40 sports reporters that a similar project he sponsored raised \$1,500 last year.

"We intend to purchase land and build a youth football field that will be dedicated perpetually to that purpose," he told the group.

SSA Members Max McNab, Rod Page, Al Coupe, Lyle Bond, Ron Oakes, Reed Nessel, Alex Hannum and John DeMott, have already signed up. So have a host of athletes.

VFW Auxiliary Installs Santry As President

Installations of officers for the VFW Post and Auxiliary 2080 was held Tuesday at the VFW Hall, in Lemon Grove. New officers for the Auxiliary include Mrs. Charles Santry, president, Mrs. Chet Winkie, senior vice president, and Mrs. Andy Offit, junior vice president.

Mrs. Herry Wietzel is chaplain, and Mrs. Terri Weitzel is conductress, while Mrs. Lyle Hunter was installed as treasurer, and Mrs. Leo Custeau became secretary.

Club of America and the Model T Restoration Club of America.

Dune buggies will be on display, after the parade, in the parking lot of Warren's Maple Shop, Broadway near Imperial. Displaying the colorful dune buggies will be the club known as The Dune Bugs.

Bleachers for the parade will be erected on the parking lot of Mayfair Market. Seats in the bleachers will cost \$1 for adults and \$.50 cents for children. They will be limited to approximately 300 seats and will be sold on a first come, first served basis.

The famous Clydesdale horses of the Burger Meister Champion Six Horse Hitch will be displayed along the right of the railroad, Main and Broadway, opposite the Chamber of Commerce office, following the parade. While six of the beautiful behemoths will pull the 5,000 pound wagon in the parade, there will be eight on exhibit. The group carries two spares or relief horses when on the road.

The Clydesdales pulling the Burger Meister Wagon represent an honored tradition that stretches back over half a century and so is in perfect keeping with our Oldtime Days Celebration.

This tradition still is carried on and, in the last ten

years the Burger Meister team has been International Champion nine times. This is the team that for years was associated with the Wilson Meat Packing Company. During 43 years of competing for Wilson the teams won more championships at the Chicago Livestock Show than all other teams combined.

Their purchase by Burger Meister was arranged by Donald El Gingery, chairman of the Burger Meister board of directors, and James W. Howard, president of the firm.

The Oldtime Days Parade will get underway at 11 a.m. with Grand Marshall Ron Mix and the lovely Sandi Sjogren, Miss Lemon Grove, leading the way.

Prominent in the line of march will be Lemon Grove's own fabulous beauties, the Lemon Grove Lemonettes, with Lem N. Grove and Little Lemon Drip.

The parade itself will be the largest and finest in a long line of exciting parades. Weeks prior to the big day the number of confirmed entries had climbed over the eighty mark and it is anticipated that there will be more than 100 units in the parade, including at least seven bands.

The largest turnout of spectators in the history of Lemon Grove Oldtime Days is anticipated.

Grossmont Board Gets Recommendations For Drug Policy Changes

The Grossmont District Board received a report from the drug policy review committee last week, in response to the Board's direction to present an alternative plan to the present policy of expelling all students involved with drugs.

The committee, made up of representatives from the community, teachers, and students in the district, along with administrators from the district, presented an 11-page report on their analysis and recommendations for the policy.

The committee recommended that the board continue the general structure of the policy for involvement in drugs either on or off campus. However, it was recommended that students involved in off-campus drug violations be allowed to stay in school until board action takes place.

Presently, the policy is to suspend the student immediately upon learning of the violation.

In the area of re-habilitation, the committee advised that "several major services

should be offered" to the student and his family in seeking restoration of educational privileges and re-habilitation.

The committee noted that re-habilitation should include a series of group counseling meetings, stressing more involvement on the part of the family.

The committee also found weaknesses in the policy in that the board considers expulsions at the first meeting of every month, and only considers re-admissions twice during the regular school year.

The committee recommended re-consideration of expulsions and re-admissions should take place at every board meeting, thus setting up a more equal penalty system for violators, including more consideration for severity of the violation.

'Job Seeker' Makes Off With \$300 From Cafe

A middle aged woman weighing about 150 pounds took two purses containing about \$330 from the office of Sam's Far East, 7816 Broadway, in Lemon Grove.

Park Sam, operator of the restaurant, said the woman who appeared to be about 3'6" and about 50 years old, came into the restaurant on Mother's Day and asked for an application blank.

She later asked to use the restroom and apparently saw the purses on Park Sam's desk as she passed the office. The purses were later found on the restroom floor.

One of the purses belonged to Sue Tungpanitan-sooh. It contained \$30. The other belonged to his wife.

Park's wife, Josephine, said that the woman had earlier applied for a job at Pernicano's restaurant which is at 7810 Broadway, nearby. She said the money was her savings — not restaurant receipts.

The woman is thought to be a bar habitue of the community.

Learn Spanish the Easy Way

Hardison's Telespanish
By JAMES HARDISON

What is the correct equivalent for "wife" in Spanish? Some speakers of the language say "esposa" is the right word and others have said "senora." Still others say "mujer" and I am confused. Please clarify the variations and explain which word is right.

All three words are acceptable translations for "wife." "Esposa" means "spouse" and is preferred. "Mujer" means "woman" and "senora" which means "lady" or "mistress" appears in the English contracted form as "Mrs."

In an introduction one might say "Ella es la senora Gomez" for "She is the lady Gomez" or "She is Mrs. Gomez." A native speaker of the language might refer to his wife by saying "Ella es mi mujer" or "Ella es mi esposa" for "She is my wife." A greater regard for formality is exercised when the same man refers to another man's wife. "Ella es la mujer de Sanchez" (She is the woman of Sanchez) would be more formally stated as "Ella es la esposa de Sanchez."

The title "Dona" is also one of respect and used with the given name or first name of a married, older or distinguished woman. In this case, a lady might be referred to as "Dona Carmen" as a substitute for "Senora Martinez" when her married name is "Mrs. Carmen Martinez."

Practice phrases listed below demonstrate some of the various uses of "mujer," "esposa," "Dona," and "Senora." You may wish to practice them with the recorded voice that says them for you when you dial 276-2762.

IMPORTANT PHRASES:
Say "Es ella la Senora Gomez?" (EH EH-yah lah sehn-YOH-rah GOH-mehs) for "Is she (the) Mrs. Gomez?"
Say "Ella es la Senora Gomez?" (EH-yah ehs lah sehn-YOH-rah GOH-mehs) for "She is Mrs. Gomez."

USEFUL PHRASES:
Say "Es ella su esposa?" (ehs EH-yah soo-ehs-SPOH-sah) for "Is she your wife?"
Say "Ella es mi esposa." (EH-yah ehs mee-ehs-SPOH-sah)
OTHER PHRASES:
Say "Como esta Dona Carmen?" (KOH-moh eh-STAH DOHN-yah KAHR-mehn)
for "How is Lady Carmen?"
Say "Dona Carmen esta bien." (DOHN-yah KAHR-mehn eh-STAH bee-EHN) for "Lady Carmen is well."

MOVIE MAKERS — Penny Pinchers Inc. makes a hit in the world of banking as the corporation's board of directors opens its first account at the Lemon Grove Office of Southern California First National Bank. Mat Gillenberg, president of the board of directors for the newly formed corporation is given assistance by Sharon Harter, customer service representative, while other board officers look on.

The corporation, composed of a class of 34 sixth graders from Spring Valley Elementary School, will film a class exercise in language arts, which will be financed through funds raised by selling stock at 10 cents a share and sponsoring car washes at the school. President Gillenberg, seated, is given help from left, by Sherri Demo, vice president; Cheryl Klump, treasurer and Mrs. Harter.

Spring Valley Sixth Grade Class Plans Movie Making Business

Penny Pinchers Inc. — It may sound like a corporation headed by Jack Benny, but in this case it applies to a corporation composed of 34 sixth graders at Spring Valley Elementary School who are entering the world of finance, corporations and movie-making.

The idea of forming the corporation came about when the pupils wanted to earn money for filming an exercise in language arts, commented Mrs. Georgia Killian, instructor.

Penny Pinchers Inc. board of directors completed its first financial transaction last week when it opened the corporation's account at the Lemon Grove Office of Southern California First National

Bank.

The account was opened to handle funds raised by the class for the production and filming of their movie. A major portion of the money is expected to come from a car wash which the pupils are conducting on an advance-sale basis at the school, 3845 Spring Valley dr., Spring Valley.

Materials used for the car wash were financed through funds the class collected by selling stock in PPI at 10 cents a share.

"We want to have fun and learn about business by taking part in it," PPI board president, Mat Gillenberg,

commented to a bank employee.

The board consists of five officers elected by the class. Gillenberg will be Sherri Demo, vice president; Cheryl Klump, treasurer; Peter Lee, secretary and Dale Ginos, who is an ex-officio board member.

Mrs. Killian, who is serving in an advisory capacity, says the youngsters have latched onto the corporate idea and sold punch to customers at the first of their two car washes last weekend. This Saturday, they will provide cookies in addition to the punch, in an effort to gain additional funds, she said.

Grossmont Student Wins Tournament

A Grossmont High School junior, Chris Baron, 17, of 9705 Summit Circle, La Mesa, took first place in Dramatic Interpretation at the California State Finals Speech Tournament.

Her selection was an excerpt from "Medea". Chris is now entitled to compete at the national finals to be held in Kansas City, Missouri in June.

Among the 14 Grossmont District students chosen to compete at the state tournament, four, including Chris, placed in the final rounds.

Mt. Miguel student, Linda Schmidt, 17, of 1321 Darby st., Spring Valley, took third in Humorous Interpretation.

Pat Webb, 17, of 11107 Benjamin pl., El Cajon from El Cajon Valley High School took 4th in the House of Representatives and Chris DeGaetano, 17, of 2372 New Jersey dr., Lemon Grove from Helix High placed 6th in the Senate.

These last two events are part of Student Congress, which is modeled after the U.S. Congress. This is a new event on the state level.

Schools To Cutback Warns Jess Unruh

Candidate for Governor Jess Unruh warned last week that there will be massive cutbacks in schools throughout California later this year unless state government "begins to pay its fair share of the cost of public education."

"The local school districts have no other choice but to cut back everything from school libraries to school nurses."

"The drastic reductions taking place in Los Angeles soon will envelop the entire state," Unruh told the San Fernando Valley California Federation of Labor.

Spring Vally Youth Wins Scholarship From Society

Mary Lara, Mt. Miguel Grossmont College and San High School senior, received a scholarship from Gamma Chi Chapter of Delta Kappa Gamma, May 12, presented at a dinner meeting of the society for women educators, in the Bronze Room in La Mesa.

The scholarship is awarded each year to a girl from the Grossmont Union High School District. It is designed to help young women who will go into the field of education. Miss Lara plans to attend

Ranking 34th in a class of 500, Mary has been in band and orchestra and has served two years as captain of the Banderettes. She is now working under the Teacher Prep Program at Avondale Elementary School.

Mary is the daughter of Mrs. Donna Lara, 9135 Birch st., Spring Valley.

A BIT OF BALLET — Cheryl Muzzy, left, along with Michelle Crump and Heidi Wick display their talents in the art of dance. The girls, along with others from the Jan Kisk Ballet School in Lemon Grove will dance at the Friendship Manor Convalescent Home in National City May 16.

Monte Vista To Stagger Schedules In September

With this fall's enrollment expected to reach 2,360 students, almost 300 beyond current plant capacity, Monte Vista High School will replace its traditional six-period day with a staggered seven-period schedule, Principal R. C. Brady announced.

Under the new plan, all classes will meet four instead of five times a week with periods extended from 54 to 60 minutes each, Brady added.

In order to obtain maximum classroom utilization most students will attend classes periods one through six (from 8 a.m. to 1:54 p.m.). Students dependent upon bus transportation and those enrolled in athletics and special physical education and music groups will attend during periods two through seven (from 9:06 to 3 p.m.).

The new schedule also will allow for a weekly activity

period which will be used for assemblies, club or class activities, open labs, tutoring, athletics, pep rallies and other special events, the principal said.

"Student organizations and activities are a vital part of our school program and need to be expanded and strengthened, but not at the expense and interruption of regularly scheduled classes," Brady said, added that students also want to participate more in decision making.

"The new system will provide the requisite time for these and other activities without interrupting class time, in addition to accommodating the increased enrollment without raising the budget," Brady said.

"If you don't believe it or can't understand it, come on over and talk with us about it or give us a call," Principal Brady concluded.

"Arms And The Man" Is Mount Miguel Play

The Mount Miguel drama department will present "Arms and The Man," a satire by witticist George Bernard Shaw, May 13-16 in the Mount Miguel cafeteria from 8-10 p.m.

The play, the last production of the year, shoots popular belief out of the air like a careful hunter. The story itself involves the conversion of Raina Petkoff, an incorrigible romantic, and her fiancé, Sergius Saranoff from romantic idealism to blunt reality.

The comedy occurs when Louka, an independent maid, and Bluntschli, the realistic soldier, face the two idealistic lovers and shatter the pretences they have used and believed in for so long. At the end, Sergius and Raina come to know that "Life isn't a farce, but something quite

sensible and serious," according to play advisor John Adams.

Mare Richard will portray the romantic fiancé, Sergius; Pam Stevenson, the idealistic Raina, and Ron Grooms will play Bluntschli, the soldier that reveals the world to Raina.

Debbie Hannahs will portray Louka, the maid who influences Sergius; Rick Luiz will play Raina's father, Petkoff; Catherine Petkoff, the mother, will be played by Karen Davis; Nick Kennelly will play the part of a loyal servant, Nicola; and Richard Block will be the Russian soldier.

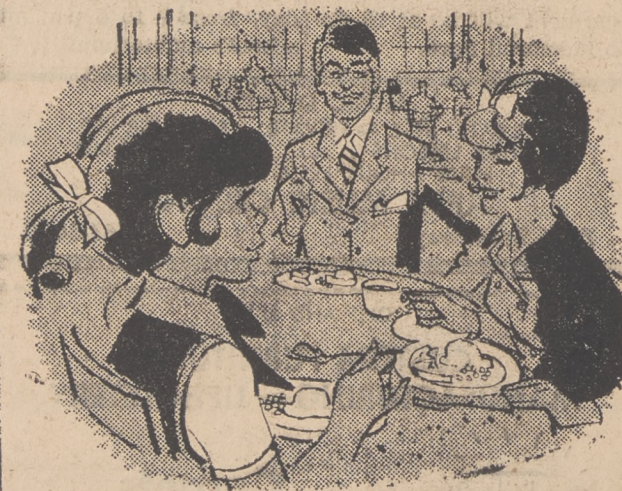

Director John Adams said, "This double-edged satire briskly cannonades two great attitudes in life: the romantic attitude toward war and the romantic attitude toward love."

Highlands Students Visit Sea World, Learn About Japan

Students in the third and fourth grades at Highlands Elementary School in Spring Valley took a tour of Japan so they could learn more about the customs and traditions of the Oriental people.

The Japanese tour began at 10 a.m. last Monday and wound up at about 1 p.m. It was a short tour because they only had to go as far as Sea World to see a Japanese Village where the Ama divers perform in native dress.

The 95 students are studying Japan — its culture, economics and people — in their Social Studies class at the Spring Valley school.

When they visited Sea World, Fred Karasawa, manager of the Japanese Village, presented them with authentic Japanese Green Tea. The students sampled the tea later in their classroom.

They reported to Mr. Karasawa that they like the tea, but most of them used sugar

and milk.

Teachers Joyce Nakamura, Elaine Blettner and Edmond Greulich accompanied the "Far East" visitors on their Sea World tour.

During their visit to Sea World's Japanese Village, an Ama diver demonstrated her skill for them. The students learned that Amasans dive for pearl-bearing oysters beginning at age 12 or 13, and that they continue to work until they are about 65 years old.

They also discovered that pearls come in different shapes, sizes and colors, including pink and black; that Amasans stay underwater for up to 2½ to 3 minutes without scuba equipment, and that in Japan, the divers work for two to three hours at a time in the deep icy waters, diving as deep as 60 feet.

Jazz Ensemble Takes First At Southwestern

Gene Corporon kept the Jazz Ensemble quite busy last week, as they participated in the Benton Minor Benefit Concert. This concert was a fund-raising affair to help pay the hospital bills of Mr. Minor's daughter, who was afflicted with hepatitis.

The Jazz Ensemble also traveled up to the coast to participate in the Orange Coast College Jazz Festival, where they placed in the top five.

To top off the busy week, Miguel's Jazz Ensemble competed in the Southwestern College Jazz Festival, where they came home with first place. Twenty bands from Southern California were entered in this competition. The Clinician, a type of judge, was Elmer Bernstein.

The Annual Spring Concert will be held May 17 at Grossmont College, in the Student Center. Participating from Miguel will be the Symphonic Band, Orchestra, and the choir.

Mike Vacarro, a Hollywood free-lance musician, will hold a clinic for Mount Miguel. Playing two instruments equally well, known as doubling, will be the main idea behind the clinic. "Mike Vacarro and Concert" will be presented in the Mount Miguel gym, May 28.

To end a very active first year, Mr. Corporon will hold banderette tryouts May 22, and drum major tryouts, June 5.

Cajon Speedway, The Saturday Night Spot

By Chuck Curtis

If you haven't been out to Cajon Speedway, Gillespie Field, as yet this season, you have already missed some thrilling races.

The Super Stocks have been running for a few weeks now and a number of the drivers have served notice they are going to be in strong contention for the season title when all the points are counted.

One of the front runners has to be Russ Bullen of Bonita. Russ has been going all out and his machine has proven worthy of the battle. A crowd of over 5,000 racing fans saw Russ rip off his third consecutive win last Saturday.

It took some tricky driving as Russ had to wheel his speeding machine around three spinouts by early race leaders in order to earn the checkered flag.

Bullen grabbed first position on the 27th lap of the 30-lap main event and then fought off all contenders for the victory.

Pat McIntyre, Spring Valley was a pressing second, followed by Bucky Peralta and Sonny Tomlinson, both of San Diego.

Drivers from Lemon Grove and Spring Valley have really been making themselves heard at the lightning fast Speedway. Saturday, Ed Hale of Lemon Grove took the 3-lap trophy dash with a time of :57.80. Don Anderson, Spring Valley took third place in the main event for Limited Stock with Lanny Pemberton, Lemon Grove taking fifth.

Stock car racing is one of the really thrilling sporting events being presented in our area and Cajon Speedway rates with the best tracks in Southern California.

Racing at the track begins at 8 p.m. every Saturday, but take my advice and get there a lot earlier if you want one of the really choice seats. The fans start lining up at the Speedway gates between 5:30 and 6 p.m. so they can not only pick their favorite seat, but can be in time to watch the trials. Time trials begin at 6:30 and give the racing buffs a pretty clear indication of which drivers have their cars really humming on that particular night.

While the time trials are strictly races against the clock, the daring with which the drivers push their machines makes this a very exciting part of the evening. More than one driver has kissed the wall or blown his engine trying to qualify and there is plenty of action to keep the fans jumping to their feet.

Fans at Cajon Speedway have a fine track at which to watch this thrilling sport. The seating is excellent, there are refreshment stands and adequate facilities for the comfort of all and most important of all, there is the wonderful camaraderie of those out to enjoy an evening watching their favorite sport and cheering their favorite driver.

If you want a real exciting Saturday evening's entertainment, visit Cajon Speedway. If you make the short trip to El Cajon the odds are you will find yourself going back week after week to partake of the excitement and fun.

Monarchs Miss Upset In Granite Hills Encounter

Baseball is a game of inches, and Monte Vista found that out last Friday, when the rugged Granite Hills Eagles invaded the Monarchs' diamond and inched-out a 2-1 win.

The Monarchs managed to get on the scoreboard in the bottom of the first inning, to take a 1-0 lead, but it didn't last long, as Granite Hills got it back in the top of the second.

In the following four innings, neither team could get

Grossmont JC Dominates Net Tournament

The Grossmont College tennis team completely dominated the Mission Conference in 1970, and the same was true of the conference tournament held last week at Grossmont.

Eight singles and four doubles teams traveled to the Southern California Regional Tournament at El Camino last week and most of the players were from Grossmont College.

In the singles competition, five of the eight qualifying players were from Grossmont, and in doubles, two of the four teams were from Grossmont.

All of the quarter-finalists qualify for state competition, but all four of the semi-finalists in singles play were Grifins. Bob Scott defeated John Hodgkinson, 6-2, 6-2, in the first match, and George Incampo topped a fast improving Craig Sandling, 6-3, 6-2, in the other semi-final match.

Scott, number one man all season for Bob Rump's team, defeated Incampo, number two all season, 6-3, 6-3, to win the first Mission Conference singles championship.

Scott and Incampo teamed to defeat John Johnson and Hodgkinson for the doubled championship to make a twin victory for Scott.

In the "B" tournament, Dave Lower of Grossmont won the singles championship, and teamed with Sandling to win the double title. Lower got a late start in tennis this season, due to playing basketball.

Dave was an all-conference forward for the second place Grifins, and he came down with mononucleosis right at the end of the basketball season and didn't completely recover until late in the tennis season.

POLE CAR — No. 3 Jim Hitt of Lemon Grove on the pole for the time being with No. 90 Wes Osborn of Chula Vista, No. 13 John Dineen of El Cajon, No. 27 Cactus Henyan of Jamul, No. 29 Bob Prather of El Cajon

and No. 10 Russ Bullen of Bonita all pushing. Super and limited stock cars race every Saturday night on Cajon Speedway's 3/8 mile paved, banked oval near Gillespie Airport. Race time 8 p.m. Qualify 6:30.

Bullen Grabs Third Straight Win In Cajon Speedway Fender Bender

The big 30 lap main event and money races have turned into fender crunching melees. No quarters are given to reach the front, at Cajon Speedway on Saturday nights.

The driver that can survive the pile ups and spin outs can

end up at the head of the pack and get the checkered flag.

Two time champion Russ Bullen of Bonita has moved into a 165 point lead over Ed Hale of Lemon Grove after overcoming 5 different leaders to win his 3rd in a row last Saturday night.

Hale had the lead briefly between the 18th and 21st laps, but a spin-out in the south turn took his car out of the race. He'll be back next week to try to even the score a bit with Bullen.

Speed marks continue to fall on the high banked 3/8 mile oval as Bucky Peralta of El Cajon shoved the 8 lap mark to 2:35:30.

Bill Bramley of El Cajon dropped the 10 lap standard to 3:27:64.

Joy Swentkofske of San Di-

ego will be looking for a repeat win when the Powder Puff girls present their second program of the season this Saturday night.

Among the challengers are second place finisher Gloria Stahl of Chula Vista, Kathy McLaughlin of El Cajon and 1969 Powder Puff champion, Diane Porter of Paradise Hills.

Dot Bridges of El Cajon will hope to repeat in the 3 lap trophy dash.

Speedy Don Mathews of El Cajon, one of the big guns in the Limited Stock division holds all of the records for that class except the 15 lap main event.

Five one time winners will be looking for their second win: John Barry of Santee, Paul Beachamp, Nat'l City, Don Mathews, El Cajon, Bill Thien, San Diego and Tom Zalesky of El Cajon. Thien holds the mark at 5:20:07.

Rocket Rookies Start June 14

The San Diego Rockets will hold rookie camp starting June 14 at the United States International University campus in San Diego, general manager Pete Newell announced.

Head coach Alex Hannum will conduct the week-long camp which will continue through June 21. Hannum will be assisted by head scout Frank Hamblen.

The exact number of former college stars invited to the tryouts has not been determined yet. Expected to be on hand will be the Rockets top four choices in the recent NBA draft.

They include No. 1 pick Rudy Tomjanovich, 6-8 forward from Michigan; No. 2 selection Calvin Murphy, 5-10 guard from Niagara; No. 3 choice Curtis Perry, 6-7 forward from Southwest Missouri; and No. 4 pick Jody Jody Finney, 6-4 1/2 guard from Ohio State.

Other draft selections expected include No. 6 Mike Kretzer, 6-5 guard-forward from Eastern Tennessee, who has already signed; 6-6 forward Don Adams from Northwestern; the Rockets No. 8 selections; and Toke Coleman, 6-5 forward from Eastern Kentucky, their No. 10 draft choice.

Hannum will be sending the rookies through two-day exercises starting June 14. They will work out at 10 a.m. and again at 6 p.m.

Erb Tosses No-Hitter In Pony League

Jerry Erb, of Farmers' Center, tossed a no-hitter at Roy's Campers to give his team a 1-0 win in Spring Valley Pony League action last week.

The team didn't fare so well against Daily Californian, however, dropping a 6-3 encounter.

Other action in the loop saw Montgomery Ward edge San Diego Rock 2-0 as Mike Stevens sent one over the left field fence with a man on to ice the win.

Allen Cornwell struck out 15 batters enroute to picking up a win for San Diego Rock in its other encounter, 7-1 over Scharf's Backhoe.

Scharf's took it on the chin in another game last week, also, dropping an 11-2 decision to Montgomery Ward, but put it all together when they met Shipfitter "A" School, winning 4-1.

Daily Californian knocked off Spring Valley Shopping Center, 5-4, while Ward's added Shipfitter's to their list, 5-0, and Roy's Campers upended S.V. Shopping, 4-3.

Lake Moreno Opened For Bullheads

Last opened for public fishing in 1962, Lake Moreno began operation last week as a fishery so over-loaded with bullhead catfish that the State Department of Fish and Game has removed the 10-catfish limit at this lake only.

City Lake Recreation officials predict it will be virtually impossible to get red worm bait to the bottom of the lake without catching a bullhead.

The lake, closed for eight years because of low water problems, will be open on Fridays, Saturdays and Sundays plus Labor Day. Morena Campground is open daily throughout the year.

Morena is located 63 miles east of San Diego near Campo. It may be reached via Buckman Springs rd. south of Interstate 8.

Billy Winchester Does It Again, Breaks Own Record By 15 Feet

The Grossmont District preliminary track meet was held Friday, and to no surprise, it was Billy Jo Winchester, Mount Miguel's Mr. Muscle, winning the shot put and discus.

In the shot put, Billy Jo threw a "mere" 59.9 to win the competition. Billy has thrown over 62 feet this season.

In the discus, however, it was another story. Billy was expected by most to toss the platter about 180 feet and walk away with it. But his best toss sailed a bit farther than that.

The disc came down 195 feet, 8 and one-half inches away from where the muscle-bound Winchester stood.

The mark snapped the Grossmont League record of 194 feet 6 inches, which Billy had set a week before. It beat his old meet record of 180 feet, 1/4 inch by almost 16 feet.

In the mile, Mount Miguel's Bob Morrison waltzed through the competition taking his easily at 4:39. The mark in the finals is expected to be somewhere closer to 4:20 or 4:25.

Pads Set For Houston Tonight

SAN DIEGO — There is a growing concern among National League pitchers that what has been added most to this year's Padres is power.

Performing at home in a stadium that does not particularly encourage the long ball, the Padres have overcome that handicap to establish themselves as sluggers.

And that's in a league known as power.

The Padres will put their big bats on display tonight at San Diego Stadium against the Houston Astros, who are in town through the weekend, and then against the Dodgers, who arrive for games next Monday, Tuesday and Wednesday.

Already this young season, Padre bats have established a new club record. Ollie Brown, Steve Huntz, Clarence Gaston and Al Ferrara last week in Philadelphia all clubbed homers in one game, thereby erasing the old club mark of three homers in any one contest.

Through their first 26 games of the season, the Padres had belted 23 homers, a ratio of .885 per contest, far ahead of last year's pace of .99 homers in 162 games, a ratio of only .544 per contest.

"With Brown, Gaston, Colbert, Ferrara and Spiezio all capable of the long ball, there isn't much 'soft wood' in our lineup," Gomez pointed out.

"And the acquisition of Steve Huntz along with the continued fine play of Chris Cannizzaro and Dave Camp-

bell have given us far more strength at the plate than we had last season."

Silver Strand Beach Sets Summer Schedule

Effective May 1, thru September 30, Silver Strand State Beach will go into its summer schedule. The beach will be open daily from 8 a.m. to 12 midnight.

A daily charge of 75c per vehicle is for use of the beach facilities, but persons may purchase an annual day use permit for \$10. Day use permit holders may visit Silver Strand State Beach as many days as wished throughout the year for this small fee instead of paying 75c per day.

In the class "B" competition, Mount Miguel qualified 15 spikers to top the league in that division, while the class "C" cinder set netted 15 entries also.

In baseball action, the Mount Miguel bats seemed to lose a little of their sting against Helix, as the horsehiders dropped a tough one, 3-2.

Helix struck first in the encounter, netting three runs in the fourth innig off pitcher Wayne Valadez. The Scotties scored on singles by Kurt Brown and Jim Lish, and an error.

The Miguelites struggled back in the sixth frame, when Tom Young belted a triple

with two runners on and one out. But Helix reliever Jim Ebright got a strikeout and a pop fly to end the rally.

The loss left the Matadors in fifth place, a game behind the fourth place El Cajon Braves.

In tennis action, Mount Miguel dropped the match with Grossmont, even though Lars Johnson continued his assault on the league, remaining undefeated.

On the golf course Mount Miguel saw three players shoot into the 100's as Helix mutilated Miguel, 428-490. John Madigan, Miguel's usually tough shooter, blew his round and ended with a 90.

MR. MUSCLE— Billy Jo Winchester, Mount Miguel's muscle-bound shot putter, discus thrower, shows his power as he gets off a strong throw. Billy flipped the discus 195-8 1/2 Friday in the Grossmont League prelims. It was no surprise that he won both the shot and disc at the affair.

Aztec Spikers Send 30 To Make Upset In Fresno

San Diego State track coach Dick Wells will take a 30-man Aztec contingent to the second Pacific Coast Athletic Association tomorrow and Saturday, in Fresno in an attempt to unseat defending champion San Jose State.

The Aztecs will have a huge task in store if they hope to dethrone the Spartans who are also the defending NCAA titlists. The pre-meet double sheet (based solely on 1970 best marks) favors San Jose by a healthy margin over SDS and Cal State Long Beach.

No less than nine Spartans have best conference marks out of the 21 events to be contested. The Aztecs have only three leaders in Tim Danielson (4:03.1 mile), Charlie Winsor (13:53.2 three-mile) and Wes Williams (51:0 440 LH). State's best chances to pile up a host of points are in the

distance events. Bob Messina (1:32.3), Danielson (1:53.0) and Clark Dimond (1:53.2) are 2-34 in the 880 while Danielson (4:03.1), Messina (4:05.1), Winsor (4:11.2) and Tom Davidson (4:11.3) are 1-25-6 in the mile. In the three-mile, Winsor (13:53.2), Danielson (14:08.2), Dave Matheny (14:22.2) and Roger Friend (14:23.4) are placed 1-3-5-6.

Last season the Aztecs placed second behind San Jose State as the Spartans amassed 185 points to State's 138.

The Aztecs helped set six meet records last year and four Montezumans will be back to try to erase their own marks. Danielson will be after his 4:11.7 mile mark while Friend will aim at his 20:01.8 six-mile time. Wes Williams should lower his 52.8 440 IH mark as should Winsor (14:18.0) in the three-mile.

Welz Named To Edit Christ Science Paper

The Christian Science Board of Directors of The First Church of Christ, Scientist, Boston, Massachusetts, has announced the election of Carl J. Welz of San Francisco as Editor of The Christian Science Journal, the Christian Science Sentinel, and The Herald of Christian Science.

Welz will succeed Helen Wood Bauman, whose request for retirement has been accepted "reluctantly but with full understanding" by the Board of Directors.

Mrs. Bauman, who served as an Associate Editor from 1948 until 1959 when she became Editor of the Worldwide publications published in Boston, has held the post longer than any of her predecessors.

Welz, who will assume editorship on August 1, served as an Associate Editor from 1961 to 1967 when he resigned in order to resume the full-time public practice of Christian Science.

A graduate of San Jose State College, California, and of Teachers College, Columbia University with a M.A. degree, he engaged in educational work for some years. During World War II he served as Squadron Commander, AUS, with the rank of Major.

Later, for five years, he was a chaplain in the Air Force. He entered the public practice of Christian Science in 1941 and has been a Christian Science teacher since 1958.

The average cost of a wedding gown in 1969 was \$115.98, according to Modern Bride Magazine.

Mission Regatta Set

A total of ninety power-packed Inboard Hydroplanes and Runabouts are expected to enter the 6th Annual Islandia Hotel Regatta scheduled for May 24 over a 1 2/3 mile section of Mission Bay's famous Gold Cup race course.

The event is free to the public and the starting gun will be fired at 10 a.m. Best viewing areas will be Fiesta Island and East Vacation Island.

The event is sponsored by Islandia Hotel and P.P.B.C. of San Diego.

Entries from all over the Western states are expected for the regatta, that will feature 11 classes of Inboard Hydro's and Runabouts.

The main reason for delays in receiving checks from the VA is that necessary papers are not received or are improperly completed.

Griffin Spikers Set New Marks On Way To Win

When the 1970 track season ended, Grossmont College was the Mission Conference Champions and undefeated for the first time in the history of the college.

Chaffey had an outstanding track team, easily the second best in the conference, and the Griffins and Panthers showed their class last Friday afternoon in the Mission Conference track and field championships held at Chaffey.

Randy Provinzano rubbed out his old record in the 440 intermediate hurdles and set a new one of :53.9 — two tenths better than the previous mark, and Bruce Foote broke his own record in the high jump with a mark of 6'6 1/2, 1/2 inch better than the old record, as the Griffins won the affair.

Duffy Opens Another Office

Sheriff's Capt. John E. Duffy, a front-runner in the upcoming sheriff's election, told some 100 supporters and East County dignitaries that most police community relations offices are strictly "window dressing."

Duffy, who opened his East County campaign headquarters at 132 E. Main st., said most people don't know the officer on their beat and probably don't care to.

"To you he's a robot," Duffy said. "The only time you have contact with him is when he's writing you a traffic citation or, if you're a teenager, it's when you're getting a field interrogation."

Duffy said most community relations efforts are limited to distributing pamphlets and making speeches on law enforcement to groups that already solidly back law officers.

"We have to put the officer back in touch with the people," Duffy said.

Van Kelly Finds Middle Too Fat

SAN DIEGO — Joy Kelly, the bride of the Padree Infielder, readily accepted the mandate that marriage was, among many virtues, an exercise in constant sacrifice.

But she hardly could have been expected to anticipate the immediate challenge to her boundless understanding and limitless compassion, when her husband unflinchingly requested that she abandon her cooking.

To make a long story excessively terse, Van Kelly was a 23-year-old major league who couldn't go very far to his left nor to his right but was doing a big job on his middle.

"They told me my range was limited," Kelly says, "and I nearly got to believe it. But I knew that my only problem was that I was overweight."

O'Ree will be available throughout the summer for fans interested in getting a season ticket for the exciting 1970-71 Gulls' hockey season.
